

ALL-OPTIONS AT A GLANCE: JULY 2018 - JUNE 2019

- + Our 30 trained advocates took a total of 1,066 calls on our national pregnancy options **Talkline**.
- + Our **Hoosier Abortion Fund** helped more than 250 folks access the abortion care they needed.
- + We provided 180 people with in-person **peer counseling** services at our All-Options Pregnancy Resource Center.
- + 81,345 - that's the number of diapers our **Hoosier Diaper Program** gave out to 144 local families.
- + We trained 143 health care and social service providers across the country to offer all-options counseling through our signature **Pregnancy Options Workshops**, including 23 folks who attended the first-ever virtual version of the course!

WHAT DO PEOPLE SAY ABOUT FINDING ALL-OPTIONS SUPPORT?

"It was nice to have someone to speak with, who did not ask leading questions, and gave me the space to voice my concerns."

"Getting diapers and wipes through the Hoosier Diaper Program is such a blessing. It's also great knowing there are people to talk to about [other] options if I ever need to."

"The [Pregnancy Options Workshop] training helped stretch my own point of view and provided me with tools that I have already started using in my options counseling."

"I cannot tell you how much better I feel. After calling the Talkline, I felt empowered and like I can begin making forward progress on my pregnancy decision."

"Having the support of the Hoosier Abortion Fund made me understand it's okay to have to make this choice. This is my body, my decision."

"I truly appreciate the services that All-Options provides. The diaper support really does help my family tremendously. And I like that you help people with abortion too because many places out there won't."
