WHAT DO OUR CLIENTS HAVE TO SAY ABOUT ALL-OPTIONS PRC?

"It was nice to have someone to speak with, who did not ask leading questions, and gave me the space to voice my concerns."

"Getting diapers and wipes through the Hoosier Diaper Program is such a blessing. It's also great knowing there are people to talk to about [other] options if I ever need to."

"Having the support of the Hoosier Abortion Fund made me understand it's okay to have to make this choice. This is my body, my decision."

"I cannot tell you how much better I feel. After calling the Talkline, I felt empowered and like I can begin making forward progress on my pregnancy decision."

"The [All-Options PRC] staff is friendly and welcoming. I feel confident having a place to turn to and, if any life crisis were to happen, that they would help or, if they couldn't help, they would refer me to someone who could!"

"I truly appreciate the services that All-Options provides. The diaper support really does help my family tremendously. And I like that you help people with abortion too because many places out there won't."
