All-Options Renews Call to Action as the Sun Sets on Abortion Justice in Indiana

All-Options hosts an #AbortionJustice sunset rally to commemorate the loss of abortion rights in Indiana on the eve of Indiana's abortion ban

All-Options will host a sunset rally gathering Hoosiers on the eve of Indiana's abortion ban. Attendees will hear about their rights under the new abortion ban, connect Hoosiers with information on how to access and contribute to the Hoosier Abortion Fund as well as the Hoosier Diaper Program, sign up to volunteer for practical support and All-Options' statewide Activist Squad, and hear about upcoming intensive trainings related to the January 2023 legislative session.

Abortion bans are an insult to the humanity of every pregnant person who is simply trying to make the reproductive decisions that are best for them. Indiana's new abortion ban will devastate abortion access not only for Hoosiers but for people throughout the Midwest who have been traveling to Indiana for abortion care since the Supreme Court decision allowed Ohio, Kentucky, Tennessee, Missouri, and many other states to severely restrict abortion.

"Hoosiers deserve to make the pregnancy and parenting decisions that are right for them, without judgment or restriction. Banning abortion is wrong and will do the most harm to communities that are already struggling, leading to even more poverty and worse health outcomes in Indiana. All-Options will keep showing up every day to support Hoosiers, until we restore abortion rights and achieve true reproductive justice for people in Indiana." - Parker Dockray, All-Options Executive Director

Speakers include All-Options' Indiana Organizing Manager, Jessica Louise, and other members of the community impacted by the September 15th ban.

Attendees are encouraged to bring signs and record video regarding abortion justice and access in front of the supplied lightboards.
